MEMORANDUM FOR: Observers of [ ] Demonstration

SUBJECT : Demonstration of Graphics Display on December 16

1. The subject demonstration will be presented at [ ] in Boston on 16 December. A card has been attached that includes pertinent information concerning the flight. It is advisable to retain this card. In the event you become separated from the main party, you can give the address of [ ] to the taxi driver.

2. On the morning of December 16, park your car in a lot, preferably near the North Terminal at Washington National Airport. Proceed to the Page Terminal which is located at the north end of the airport. Arrive by 0730 so that the flight can take off as scheduled at 0800. Inform [ ] of your presence so that he may check your name on the roster. Travel time will be approximately two hours, unless an intermediate fuel stop is necessary. Ask the pilot the terminal and gate from which the plane will depart Boston. At Boston, take taxis to [ ]. Travel time by taxi should be approximately 30 minutes or less. The display will include entering and editing of text, creation and manipulation of graphics, and graphic aids to help identify targets. Additional information concerning the demonstration will be furnished at Boston. We will leave [ ] at approximately 1500. Scheduled take-off at Logan Airport is 1600. Expected arrival at Washington is approximately 1800. Dress warmly, as Boston will probably be cold.

3. Personnel at [ ] do not have operational clearances. Only a few employees have Agency Secret clearances and are knowledgeable of our association. Sign your affiliation on the company register as "U.S. Government." If there are any doubts concerning questions that may be asked of [ ] personnel, check with [ ].

4. Observers will be:

[ ]
